Player Portrait

Action Print

Portrait & Team Photo Combo

Team Photo

Player Portraits

A time and date will be coordinated to photograph the portrait- which will be prior to the warm-up of a home game. The design can be created on archival quality photo paper in a variety of sizes, magnet or CD.

Action Prints

This design includes a portrait photo and (5) different action shots. The final layout can be created on archival quality photo paper in a variety of sizes, or downloaded to a CD. Action prints will be photographed during the course of the season at home games. Once the schedule is determined, you will be contacted via e-mail to confirm the time and date of the game for the photo shoot.

Portrait & Team Photo Combo

A time will be set to take the portrait shot once the order is received. The design can be created on archival quality photo paper in a variety of sizes, or downloaded to a CD.

Team Photo

Once the photos are taken, they will be available for your viewing and purchase on the website www.cheryltrausch.art. On the home page, click on "Team Photos". The password is: 08TeamPics2017. Images can be created on archival quality photo paper in a variety of sizes, or downloaded to a CD.

Action Video

This highlight compilation video is designed to send university team coaches to let them see the talent of your high school athlete. The process begins with at least 4+ games being recorded of your player during game time. From there, the best highlights will be selected from each game to showcase your player's athleticism & ability. This will be compiled into a 3-5 minute video beginning with an identifying title page and concluding with a contact information page. If you would like a brief interview included, one can be created before or after a home game. This is an option is to further personalize your video to the viewers. For other specific video requests such as speed drills, PKs, etc., please let me know and a quote will be provided.

To Order

To begin an order, please contact me via email or phone and complete the order form. A location, date and time will then be determined to complete your order. **Payment is due for all orders at the time of the initial photo or video shoot.**

**Cash, check, PayPal and all major debit/credit cards accepted.
All sales are final.**

Sports Photo & Video Order Form

***Minimum order of \$10. Allow 3 weeks delivery time for individual portrait products.**
